

## Paincage annual meeting July 2015 - SOCIAL DINNER

The social dinner will take place at the restaurant AGRITURISTICA LUNGOMONTE PISANO SOC. COOP.VA AGRICOLA– Calci (PI).

The Restaurant is an old building close to an ancient church on the hills near Pisa with a beautiful landscape toward the Pisa plain and, if we will be lucky, up to the sea. In particular the restaurant is located in the *Comune di Calci* and is about 15 Kms from Pisa center.

The location of the restaurant is lovely but not so comfortable to reach for the bus that will drive us from Pisa to Calci. There will be a short downhill road (about 100m) from the main street to the restaurant to be done by walking. Take this into account when you choose the shoes for the evening.

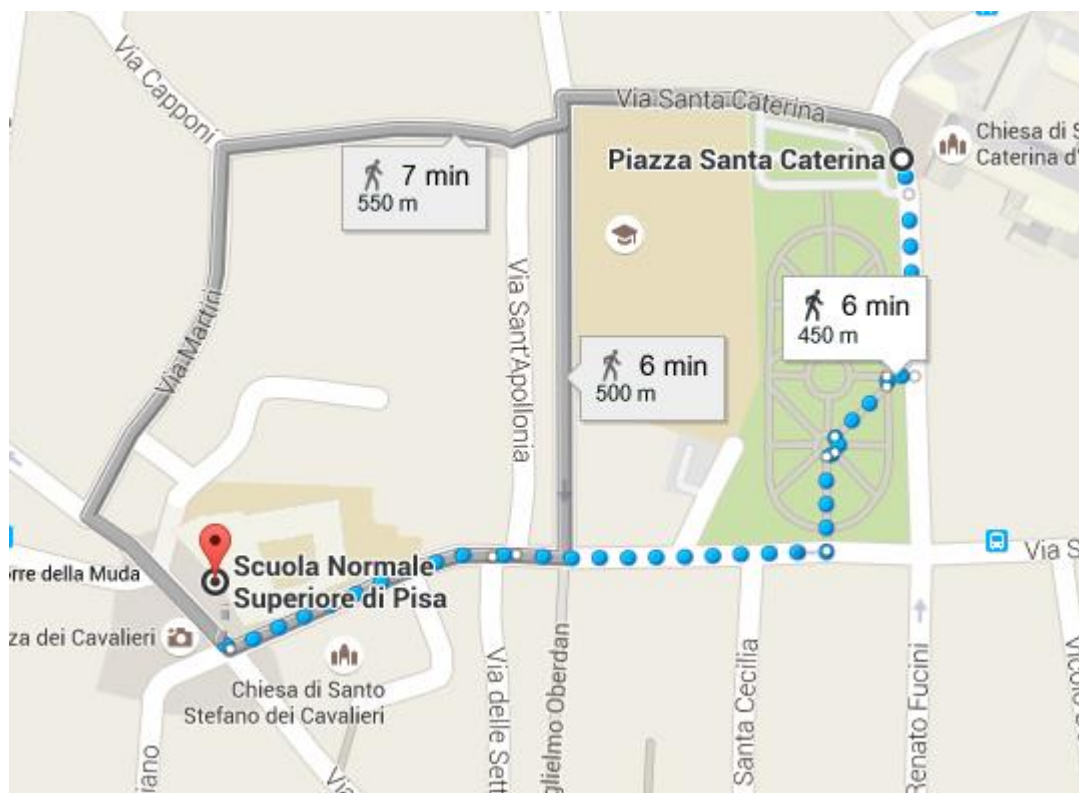

We hope the weather will allow us to have our dinner outside and, for this, we advise to bring a sweater in case of need.

The bus meeting point will be al Piazza S. Caterina, about 500m away from Scuola Normale. We will manage a meeting point just outside the Scuola Normale building and we will walk together to the bus.
